# ANNUAL REPORT

2020/2021

# PREFACE

Greetings in the name of our Lord and Saviour Jesus Christ.

The Redeemed Christian Church of God (RCCG), Europe Mainland (Region 1) is full of thanksgiving for great and mighty works and countless blessings and joys that God has bestowed on us as we work to see that Europe is returned to righteousness under the Lordship of Jesus Christ. Our joy knows no bounds as we continue to fulfill this work of the Great Commission that has been committed into our hands through God's grace and mercy.

By the grace of God, Europe Mainland has successfully transitioned from 3 Regions under the former structure into 8 regions under the new continental structure from July 1, 2021. Also within the past church year, testimonies of salvation, healing, restoration and many more are shared in our churches and mission fields in Europe Mainland on a daily basis. You will read about some of these wonderful works of God in this report.

We like to sincerely appreciate the invaluable support of our Father in The Lord and our Mother-in-Israel Pastor Enoch & Pastor Mrs Folu Adeboye, particularly for thier efforts and commitment towards the great work in Europe Mainland.

For the purpose of this annual report, the administrative period observed by RCCG Europe Mainland Region 1 is July 2020 to June 2021.

We hereby present to you RCCG Europe Mainland Mission Regions 1 annual report, with a comprehensive account of events and activities from 2020-2021.

On behalf of the board,

## 3. STATE OF AFFAIRS IN EUROPE MAINLAND REGION 1

Since March 2020 and throughout the last church year, the Covid-19 pandemic has ravished nations and destroyed economies, but we thank God for the testimonies of divine preservation and exemption from afflictions or death, salvation, healing, restoration and many more that have been shared in our churches and mission fields in Europe Mainland on a regular basis during this period.

Highlights of major programs held in the region include the Netherlands Mission Workers/Ministers Conference in September 2020, the Face to Face Board meeting/annual region 1 review held in November 2020 as well as the February 2021 Regional Women in Ministry Conference, and the 79 Hours Marathon Messiah's Praise in honour of the General Overseer, Pastor E.A. Adeboye. Other programs include the National Women's Fellowship Conference in November 2020 and the Youth and Young Adult 24 hours Marathon Prayer Conference in January 2021, The RCCG Youth Global Prayer Walk in February 2021, the monthly Early Morning Fire program, the quarterly Partners Conference, the Regional Ministers and Workers Conference in May 2021 and various events held in the Provinces, Zones, Areas and Parishes under Region 1 in the concluded church year.

## 4. CHRISTIAN SOCIAL RESPONSIBILITIES (CSR)

Some Parishes in Region 1 during the Covid-19 crises extended their hands of love to the People around them as part of their Christian Social Responsibilities.

**4.1** The TOD family (Tabernacle Of David, Throne Of David and Tower Of David) as well as Victory Assembly Parish Schiedam have been donating household items and packaged meals to the food bank in Zoetermeer, Den Haag and environs. Starting from the onset of the Pandemic, God opened this door to reach the indigenes of the land through CSR projects and food banks. Food packs are handed out to the citizens on a regular basis and the gospel presented to them at the same time.

**Items in The TOD Den Haag Covid 19 Gift Pack**

**4.2** Three Parishes of RCGG (The Tabernacle of David, Tower of David and The Breakthrough Sanctuary) have jointly enrolled with the Dutch institute BHV to train brethren as Bedrijfschulpwerker (First responders for National Emergency Response). This will enable the graduates from the training in accident and fire emergencies become part of the National response team to emergencies. They will not only be involved in the church but also the society at large.

**FIRST RESPONDERS**

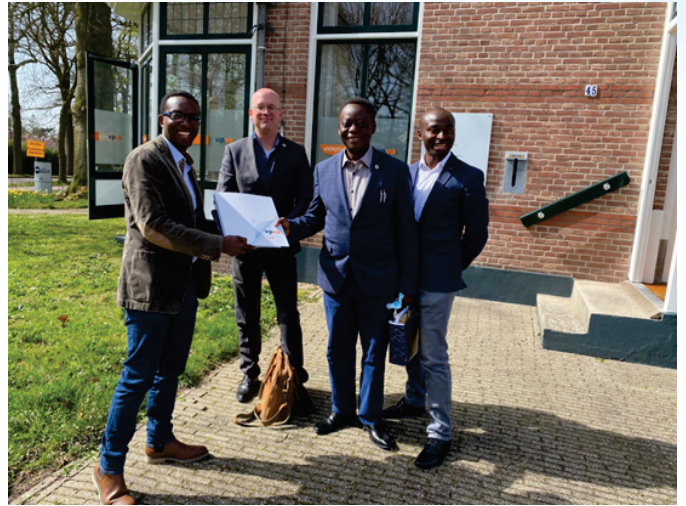

**4.3** In our Balkans Province, we also embarked on humanitarian outreaches in April 2021 to the less privileged people in the city of Leskovac in southern Serbia. We gave clothes and food items to the people and the children were not left out because they got gift packs. The church is marching forward. Hallelujah!

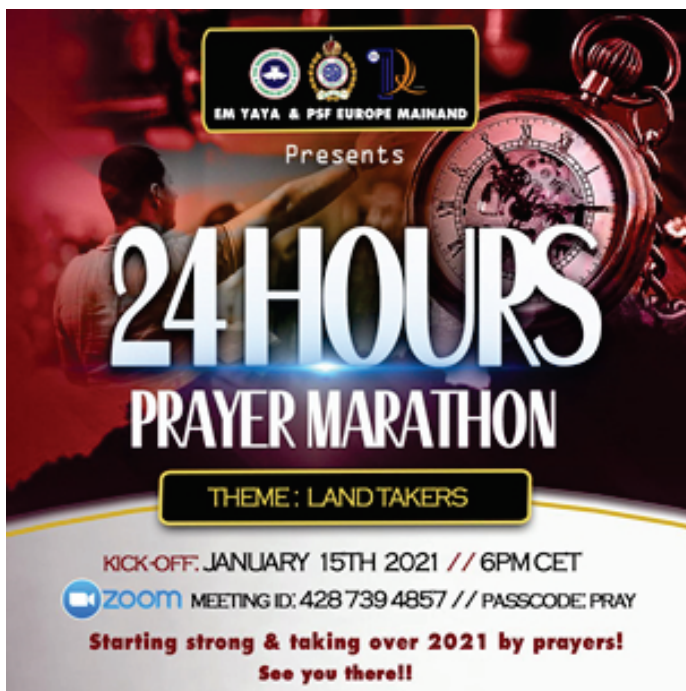

An important initiative has been the African Mission programs of assistance to communities in the poorer countries in our region. Bosnia, Bulgaria are all countries that have received support from the global mission through the African Missions under the leadership of Pastor Mrs Foluke Adeboye.

## **6. Closing**

We urge God's people across Europe to intensify prayers for God to multiply His Church greatly in all the countries in Europe, especially the mission fields. We will continue to pray that the Lord will increase and prosper His church financially, send more labourers into His vineyard and raise more workers to serve selflessly in Jesus mighty name.

We will continue to pursue greater service to the body of Christ and to the communities where we are located. In the coming years, we trust God for greater impact and meaningful partnerships that will transform our region and the continent. May God's name be praised forever. Amen!
